ETURNING MY SINGERE THANKS TO MY friends and the public, for their very liberal patronage, I will take this opportunity to inform all, that from the 1st day of August, 1857, I have closed my books entirely, and nothing more can be charged under any circumstances; my object in so doing is to enable me to sell at smaller profits, and offer greater inducements to purchasers.

I would most respectfully solicit a call from all, as I can confidently assert, from the recent large purchases I have made, my stock is decidedly larger, cheaper, and better than it has ever been before; and by selling for each alone, I believe I can make it asaving to all to give me a call before purchasing.

DR. BROTHERS' FEMALE PILLS,

Especially Designed for Remale Compliants.

The constitution always suffers more or less when my of the secretions or discharges, established by the laws of nature, are arrested or retarded; but from none does more evil arise than from obstruction, or suppression of the menses. This is sure in time to bring on a train of complicated and obstinate discass, such as pains in the beact, back, loins, and abdomen; determination of blood to the head, and consequent dizziness, cold extremities, but especially cold feet; loss of appetits, costiveness, and general debility; Cough, Palpitation of the Heart, Hectic Cenamental evacuation, where exceeded as suppressed, is indispensable to health, and the continuation of life.

The design of these pills is the rostoration of the natural stering secretions, by yearoring the causes by which they are arrested or checked, and by given the secretions.

DR. BROTHERS' DIAPHORETIC POWDERS DR. BROTHERS' DIAPHORETIC POWDERS.

These Powders form a very valuable Anodyne, Di
aphoretic and Sudorific compound. They are beneficially administered in Fover, St. Anthony's Fire, or
Erysipoles, Diarrhose, Dysentery, Cholers Morbus;
and in all cases where an anodyne, combined with a
sudorific, is required. In these diseases, it should
be administered in small doses. It is also applicable
to many other diseases, such as rheumatism and
gout, colic, and griping pains, &c. It promotes perspiration without increasing the heat of the body, and
produces a constant moisture of the akin for a great
length of time, while it allays irritation and gives
rest. 50 cents.

This Syrup has been proved in thomsands of cases

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrams, now so highly extelled, as the various Panaceas, Sarsaparilla Syrups, Balsams, and Extracts; and after repeated trials for years, in different forms of disease, I have found that this Syrup, beyond all comparison, far exceeds them all. In Chronic Inflammation of the Liver White Swelling, Necrosis, or Fever Seres, Rickets, Pistula, and King's Evil; in short, in every taint of the system or blood, from whatever cause it may arise, or however long standing this medicine will be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. Price \$1.

Sudderific Teneture or Sweating Drops.

DR. BROTHERS

Sudorific Teneture or Sweating Drops.

This medicine is truly unsurpassed in fulfilling th indications for which it is given, which is generall to produce free perspiration; hence its great and preminent value in severe and violent colds and cough fevers, inflammations, pleurisy, neuralgis, quinsy and also in allaying pain, however acute, as in bicous cholic, rheumatism, gravel, retention of urine painful mensituation, &c. Price 50 cents.

DR. BROTHERS'

Otempound Ulmus Powders, for Poultices.

DR. BROTHERS'

Compound Ulmus Powders, for Poultices.

This Powder made into Poultices is the most efficacions of any of the various kinds, recommended, and among all the different kinds used, I know of none which is equal to this for all inflammations, whether of the eyes, face, limbs, or other parts of the bedy—for Burns, Ulcera, Sore, and Inflamed Breasts, Brysipelas or St. Anthony's Fire, Piles, White Swellings, King's Evil, or Scrothlous and Fever Sores, and Cuts, Inflamed Wounds, Carbuncles, &c. It rapidly diminishes pain, heat, swelling, and where there is any gathering of purelient matter, it promotes a free and easy suppuration. A better article of the kind is not to be found. Price 50 cents.

DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacions in every case of

ticle of the kind is not to be found. Price 50 cents. DR. BROTHERS' RHEUMATIC PILIS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am salisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humbrs, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the care. When the case is very obstinate, and does not yield readily to the above medicines, a Syruy made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) must be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. Price 50 cents.

DR. BROTHERS' PILE ELECTUARY.

This preparation has been found on invaluable remedy fyr the Hemorrhoids, or Piles. It is given internally, to correct a faulty state of the bilary or digestive organs, which produces costiveness, or a derangement of the bowels, and consequently the Files.

Most of the remedies now in use for this dangerous

derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach of the control of the contr

the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. Price \$1.

(NGREDIENTS OR POWDERS OF MAKING DR. BROTHERS' RESTORATIVE WINE BITTERS.

This article has been extensively used many years by the original proprietor, in his private practice in thousands of cases in this city, (New York,) and throughout the country, with invariable success; he can, therefore, with confidence, recommend it as superior to any preparation of the kind now in use; it is admirably calculated to restore tone to the musquar fire, and thereby impart strength and energy to the whole system. It will be found exceedingly valuable in all cases of Debility, Dyspepsia, Pain in the Breast, Weakness of the Lungs, Nervous Complaints, and those inward complaints peculiar to females, such as Fluor Albus, or Whites, Prolapsus Uteri, or Failing of the Womb, &c.

By giving tone to the digestive organs, they are peculiarly useful in Dyspepsia or Indigestion, Nervous Diseases, and are thus beneficial in removing Flatulency, &c. In short, they will be found a valuable preparation in all cases where a strengthening remedy is required. This medicine has long been in great demand, and has the justly deserved reputation of being unrivalled in its value and efficacy. Price 50 cents.

DR. BROTHERS' COUGH DROPS. DR. BROTHERS' COUGH DROPS.

These drops are remarkably well calculated to allay the irratibility of the Brouchial tubes and lungs, and thus care colds, coughs, soreness and pain of the chest and lungs, and influenza. They promote expectoration, and mitigate and remove in a short time the most distressing Colds, Coughs, Hoarseness, and other Bronchial Affections. For Diarrhea, Giovera Morins, and Su Complaints of Children. Complaints of Children.

This Medicine possesses the power, in a very remarkable meaner, of neutralizing the acidity of the Stemach, or removing the morbid or acid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a gentle astringent. Hence it will be found a very superior and valuable remedy, in both scute and chronic diceases of the bowels, in Diarrhous, Dysentery, Cholera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is most effectual in relieving all these organs, restoring then tone and natural functions. Among all the numerous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when testhing, or as a remedy for bowel complaints. Price 50 cents.

Certificate of Dr. W. Smith, of Pins Hill, Rich mond County, North Carolina.

Pinse Hill., March 4, 1864.

Dean Sin: I have been a subject of Dyspepsia, in its worst form, for the last live years. Such was my condition for twelve months that the physicians and all who saw messaid I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Ruthertessica, a small village in North Carolina, but was not of the world I went into a drug store to get some medicine for my shill and myself. There were several of the woeld I went into a drug store to get some medicine for my shill and myself. There were several of the village physiciana in the store, and one of them seemed to take some interest in my sais, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoodand's German Bitters," prepared by yes, and he innisted that I would try the Bitters. He also called the sext day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, has a greatly one, for more of the same kind of medicina, saying he was nore benefited by it than any other he had taken, set I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon at possible.

Respectfully, youns,

Dr. C. M. Jackson, Philadelphia.

It is only necessary to say, that after very many years of experience, and being fully conversant with all of the various kinds of Stores which have been invented on the down-draft 'inciple, that I have taken advantage of every well-... own improvement that has from time to time been made, particularly in reference to the formation and construction of the fluxs, which are always necessary to be large, and I have tally applied every improvement and combined them all in the "Sunrise Air-Tight Cooking Stove." This Stove is made very heavy, and is a good substantial article; I have made them extra beavy in all the parts where long experience has proved it to be important, and I can assure my customers that I have spared neither pains nor expense in getting it up; and it will not be excelled by any stove now known of a similar character; I am on-vinced that it will at once become a standard Stove.
